SELECTION OF A NEW PARISH NAME

The Diocese staff have asked the pastor of our two parishes, St. Mary's and Saints Francis & Clare, to submit three (3) suggested names for our newly-combined parish. From the three suggested names that I offer Bishop David O'Connell, he can select one of our choices, or choose another name.

Over forty names were suggested by parishioners during November and December, and they were discussed at our joint Parish Council meeting earlier this month. Some names were very similar; some names were already in use by other diocesan parishes or schools (which the diocese has asked us to avoid); and some were hyphenated or combined names of our current parish names. I presented 22 names for the Council to consider, and they voted to determine the most popular choices.

Below are the six (6) most popular names from our Council meeting. We are asking active parishioners to once again share your input into this process. Please discuss the names below on the sample voting form with your family, and select the two (2) names that your family prefers.

Actual voting for the parish name will occur next weekend, **February 24 & 25**, at our Masses. The voting forms (like the sample below) will be made available, and your family will be asked to mark an "x" or check mark next to 2 names that you prefer, sign the form and list your envelope number. The voting forms will be collected by our ushers.

Please make sure you include your envelope number, or your vote may not be counted.

Many thanks for your help on this!

—Fr. Joe
